

IN THE CLAIMS:

Claim 1 (currently amended) A lottery ticket comprising:

- a) a first game area comprising at least one row having a first end, each row containing a plurality of play indicia;
- b) a second game area comprising at least one row and the same number of rows as the first game area ~~with~~ each one row of the second game area being adjacent ~~each-one~~ the first end of a corresponding row of the first game area each row of the second game area designating a target indicia which if present in only the corresponding adjacent row of the first game area may result in a prize being won; and
- c) a prize area comprising prize designations for at least one of the rows of the first game area, wherein if a row of the first game area contains play indicia corresponding to the target indicia from the corresponding adjacent row of the second game area, a player may win the prize designation set forth in the prize area of the row.

Claim 2 (original) The lottery ticket of claim 1 wherein the first game area comprises a plurality of rows.

Claim 3 (original) The lottery ticket of claim 1 wherein at least two indicia in the first game area are combined to obtain the target indicia in the second game area.

Claim 4 (original) The lottery ticket of claim 1 comprising:

a first game area comprising a plurality of rows of play indicia with each play indicia appearing on a face of a playing card.

Claim 5 (previously presented) The lottery ticket of claim 1 comprising:

a first game area comprising a plurality of rows of play indicia with each play indicia appearing on a face of a dice.

Claim 6 (original) The lottery ticket of claim 1 wherein at least some of the target indicia in the second game area are obtained by combining at least two play indicia from the first game area.

Claim 7 (original) The lottery ticket of claim 1 wherein the first game area has from 3 to 10 rows with each row having from 3 to 6 play indicia present therein.

Claim 8 (original) The lottery ticket of claim 1 comprising a third play area for designating a bonus prize, additional play numbers, additional target indicia or a multiplying feature.
